

# How To Use Your LadderMobile Clip & Flip Ladder Dolly™

## For Extension Ladders

1. Clip the dolly to two of the rungs of your ladder.

2. Flip the ladder onto the wheels.

3. Push or pull the ladder to your destination.

## For Stepladders

1. Carefully secure the dolly on two of the lower steps and lift the ladder onto the wheels. (You will not use the rung clips when attaching the dolly to a stepladder.)

2. Push (DO NOT PULL) the ladder.
